Dedicated To

DR. OWEN J. COOK

He has been seen around The Church College of Hawaii campus steadily for one year. His ideas and experience had some considerable influence on Church College affairs for seven years before that.

The 1965 Na Hoa Pono is dedicated to a man who, in one year as acting president of the institution has been responsible for a galaxy of decisions and actions which have wrought profound changes in stu-and faculty attitudes and have contributed greatly to enlarging and solidifying the academic stature of the college--and promising a great deal for the future development of The Church College of Hawaii.

Coming from an exective position in one of the largest school districts in the country, this individual has, in a relatively short time, infused a rather new and exciting spirit into The Church College family.

A stiffening of academic requirements, and related policies, have given a healthy boost to the College in its climb to the ranks of the top institutions of higher education.

As executive secretary of the Pacific Board of Education during its seven year lifetime, he was known mostly on our campus by reputation.

During the past year he has made extensive, and successful, efforts to become known to all of us, both personally and through his interest in all areas of college life.

Thus, because of the pleasure and satisfaction we feel that both the studentbody and the faculty have derived from having him on our campus as an immediate part of our lives, rather than in his role as the "distant relative" of past years, the staff of the Na Hoa Pono feels strongly that recognition should be given for a difficult first-year job well-done.

It is with pleasure, then, that the Na Hoa Pono recommends academic advancement in whatever school there is for college presidents from the freshman class to the sophomore class (with a solid 4.0 average) for our president, DR. OWEN J. COOK.

ADMINISTRATION

DAVID O. McKAY

David O. He administers this position from his offices in Salt Lake City, Utah.

HUGH B. BROWN

Assisting President McKay as Vice-Presidents of the Board of Trustees of the Church Schools are his two counselors. Other members of the Board include the Quorum of the Twelve Apostles of the Church of Jesus Christ of Latter-Day Saints.

Administrator, Church Schools

The school system of the Church of Jesus Christ of Latter-Day Saints is unified into two separate spheres of organization. One is Brigham Young University in Provo, Utah, and the other includes all other church schools in the United States, Mexico, South America, and the South Pacific.

Harvey L. Taylor administers this far-flung school system, which includes three colleges, five high schools, thirteen elementary schools, and hundreds of seminaries, from his headquarters at Brigham Young University.

College life is a short interlude in the span of eternal progression. However, the great importance of this brief course cannot be measured in your climb to excellence.

As a gigantic thrust is necessary to lift a satellite into orbit and without that thrust, the satellite does not fulfill its purpose--so also students need the tremendous force of a formal, higher education to launch them into a successful professional or occupational life.

Propelled by academic learnings; guided by a sound knowledge and testimony of the Gospel of Jesus Christ, you may enter successfully into the path of eternal service--eternal progression. And, it will be a further distance you travel, in space, in service, in knowledge, in power for good, and personal worth.

> "Whatever principle of intelligence we attain unto in this life, it will arise with us in the resurrection."
> (D. & C. Sec. 131:18)

Na Hoa Pono has recorded here, in a delightful manner, happy momentary moods of student life on campus. These memories become more nostalgic as the years go by. You will find yourself many times turning back through the pages to relive these pleasing events in your eternal progression.

SENIORS

The Senior Class of 1965 headed by their hard-working President, Joan Wilson, had the most fun-filled year of their college career.

At the beginning of the year, the Seniors sponsered a social, "Getting to Know You." Then came the most enjoyable Christmas Party they ever had. Sister Geneva Winterrose took the adventurous Seniors on a tour of the South Pacific Islands during an evening of fun and film-

strips. Then came the wonderful day of the "Fool's Folly" with the student body joining to help the Seniors make a little money.

Finally the wonderful Senior Week arrived. The Seniors enjoyed the friendship of their fellow classmates for the last time before the day of commencement.

The last event in College was commencement and the Commencement Ball, altogether ending a very wonderful 1964-1965 school year.

SOPHOMORES

The active Sophomore Class was headed by President Kathleen Reeve. Under her leadership the Sophomore Class participated in activities for the Student Body and also worked on Service Projects.

The first activity sponsered by the Class was during Orientation week for the Freshman Class. They brought the Freshmen Class to a "Skating Party" in Honolulu. The motivating Initiation Week also highlighted the Sophomore's activity section. With the help of the Intercollegiate Knights, the Initiation sponsered by the Class was a success. Also on the agenda were three enjoyable parties. The first was a "Marshmallow Feast", followed by an exciting picnic on Goat Island after they cleaned Hukilau Beach as a service project. Later on during the second semester the Class had an appetizing "Pizza Party" after the movies in the main lounge of Women's Dorm II.

The Student Body had the opportunity of seeing the famous Johnny Mathis on stage at the HIC through the efforts of the Class Officers.

The decorations for a "Winter Wonderland" one of biggest dances of the year were done by the Sophomore Class.

To end a wonderful school year, the Sophomore Class put on a Student Assembly that gave the "successful Sophomores" something to remember.

FRESHMEN

During the first semester , the Freshmen Class was under the guidance of Patrick Waller. He led the Freshmen through the adventurous Initiation Week. During that week, the Class went through the first experience of college life.

During Orientation Week, the Freshmen Class took Placement Examinations . Through this hectic Week the new Freshmen Class got more acquainted with College Life.

Rex Frandsen, the second semester President, also gave the Class more opportunities to participate in activities. They first started off with a "Bonfire and a Hayride." Later on in the semester the Freshmen Class had a little get-together before school let out.

The Freshmen Class presented a gift to the school, thus ending a wonderful year here at the Church College of Hawaii.

CHURCH COLLEGE OF HAWAII SECOND WARD BISHOPRIC

Bishopric's message...

"Trust in the Lord with all thine heart; and lean not unto thine own understanding. In all thy ways acknowledge Him and He shall direct thy paths." (Proverbs 3:5)

Too many people in the world today have forgotten to make prayer a part of everyday loving. More and more people are seeking answers to their problems in the divorce courts, in the doctor's office, or on the psychiatrist's couch. Elder Thomas Monson of the Council of the Twelve Apostles tells the story of a personnel officer assigned to handle petty grievances who facetiously placed a little sign on his desk for those with unsolved problems to read. It read,'Have you tried prayer?"

Little did the personnel director realize that he was offering counsel which would solve more problems, discourage transgression, and bring more peace of mind than could be pbtained in any other way.

Pray every morning and promise the Lord that you will do your best during the day. Report to Him every night concerning your success of failure. Bear in mind during the day that you must account for your actions every night.

Let's take the Lord into our conficence. With the help of such a powerful 'silent partner' how can one fail?

SUNDAY SCHOOL

Purpose

As the Church's gospel teaching organization that trains members from childhood throughout their lives, the Sunday School has a prime responsibility and opportunity to cultivate and develop the fruits of the gospel among all church members. This great challenge and opportunity extends throughout all of the Sunday School's activies. Our objective is--To teach the gospel of Jesus Christ to every member of the Church.

The 'spirit'

During the year of 1964-65 the CCH wards have seen great progress in the Sunday School. With the excellent; staff headed by Ward Counselors, the gospel was taught in every phase of the organization. We found at Sunday School a service that is guided by the spirit of the Lord rather than by mechanical routine, leaders who inspire an attitude of worship, a sincere welcome that invites reverence, hymns that inspire an attitude of worship, hymns that inspire belief and joy in the gospel, inspirational music that induces worship, prayers that invite the Spirit of the Lord to be present and countless other characteristics of a well rounded, well organized auxillary. Our thanks go to those who participated during the year in the respective Sunday Schools.

TRAVELING SUNDAY SCHOOL TEACHERS

Three dedicated young "helper - outers" traveled to Waialua Branch each Sunday to assist the Sunday School in teaching. They were Charlene Justice (left), Anna Faaumu (center), and Diane Heesch.

RELIEF SOCIETY

President's Messages...

With the operation of CCH Second Ward Relief Society, many of the young women have found an enjoyable experience in attending the weekly meetings in the music studio.

The organization proved to many that it is helpful to young women as well as to the not-so-young, presenting lessons designed to prepare the girls for marriage and motherhood which teach the values of literature, religion, and a knowledge of social science in the home.

From last year's average of ten, the attendance has increased to an average of forty, with a membership of sixty-two. The attendance leads those of all the other wards in the stake.

Harata Pere and Sharol Lum continued in the presidency, now in the capacity of President and Second Counselor respectively, while Bethel McKinnon served as First Counselor and Marie Nin as Secretary-Treasurer. They were assisted by devoted teachers in Karen Hansen as Theology teacher, Pauline Kupau as Work teacher, Geraldine Bishop as Literature teacher (who replaced Valerie Romney - the latter returned to the Mainland after the First Semester), and Kathleen Reeve, who took over Social Science from Carla Casto. The all important visiting teaching work was led by Carmen Cuizon.

Members participated in activities such as choral singing for Ward and Stake Conferences, and fund raising cookie and pie sales. Much help was given to the members by Brother Adam Forsythe, Stake Relief Society Advisor, and by the members of the Stake Relief Society Board.

It has been a very successful year.

Second Ward Presidency The smiling maidens from left to right are Sharol Lum, Second Counselor; Harata Pere, President; Marie Nin, Secretary-Treasurer, and Bethel McKinnon, First Counselor.

AM I RIGHT?

But those who can, do; and

...Paul P. Wentz.

First Ward Presidency These choice Relief Society officers are from left to right, Diane Orms, Second Counselor; Audrey Davenport, President; Mele Langi, First Counselor, and Akalisi Pahulu, Secretary-Treasurer.

The Relief Society has played an important part in the life of the students here on campus. It is like none other because of the members who are part of it. Here we find young women working and learning together to become worthy mothers of tomorrow to the children of Zion. The ward commenced with a small number of 4 members and has now 35 enrolled members. In supporting the priesthood the sisters have contributed sacrament cloths for the tablesand as labors of love have taken part in decorating the auditorium each Sunday morning along with their sisters of CCH Ward II.

At 9 a.m. each Sunday morning faithful sisters are seen gathering together at Relief Society. It must take a sincere love to come out to Relief Society at such an hour. and for this act we are surely blessed. At the beginning of the year our officers included a sincere First Counselor, Sister Irene Tukuafu who left with her husband for the mainland in January. At the turn of a new semester came a warm, vibrant sister, Diane Orms who replaced Sister Tukuafu.

'Who can find a virtuous woman, for her price is far above rubies.'

'Honor the name you bear...Honor the parents who gave it to you.'

I BELIEVE...

Twenty two students at C.C.H. this year gave many devoted and valuable hours in an effort to share the Gospel of Jesus Christ with fellow colleagues. Called to be stake missionaries these students studied the gospel in addition to missionary instructions under Brother W. Swapp and Brother P. Shin.

Their reward has been the joy of seeing many of their contacts become seriously interested in the gospel. Greater still has been their joy to see some of these enter into the waters of baptismto accept the gospel into their lives.

We, as full time missionaries have had the opportunity this year of working with these fine young people, and it has been a great experience to see the love and dedication they attribute to their calling. Surely the Lord is pleased with their desire to spread his teachings to all those who show an interest in the Gospel of Jesus Christ."
